

# Los Angeles Interior

## PROJECT HISTORIES:

**Name of Project:** Hollywood & Highland Center - Kodak Theatre  
**Location:** Hollywood, CA  
**Owner:** TrizecHahn Hollywood, LLC  
**Scope of Work:** Metal Stud Framing, Drywall, EIFS, Glass Fiber Reinforced Gypsum, Stainless Steel Trim, Fireproofing, Acoustical Tile, Wire Mesh Ceiling, Custom Metal Dome Ceiling

**Name of Project:** American Airlines Terminal at LAX  
**Location:** Los Angeles International Airport  
**Owner:** American Airlines  
**Scope of Work:** Acoustical Ceilings, Curving Metal Ceiling System, Acoustical Treatments, Building Insulation, Lay-In Ceiling Panels, Metal Light Reflectors, Metal Stud Framing, Gypsum Wall Board, Lath & Plaster, Cementitious Fireproofing, Glass Fiber Reinforced Gypsum

**Name of Project:** Nikken International, Inc. - World Headquarters  
**Location:** Irvine, CA  
**Owner:** Nikken International, Inc.  
**Scope of Work:** Metal Stud Framing, Glass Fiber Reinforced Gypsum, Gypsum Wallboard, Cementitious Fireproofing, Lath & plaster, Portland Cement Backing Board, Acoustical Ceiling Suspension Systems, Custom Curved Metal Ceilings, Metal Column Covers

**Name of Project:** Kaiser Panorama City Replacement Hospital  
**Location:** Panorama City, CA  
**Owner:** Kaiser Foundation Hospitals  
**Scope of Work:** Cementitious Fireproofing, Firestopping, Joint Stealers, Metal Door Frames, Access Doors & Panels, Metal Stud Framing, Exterior Wall Framing Systems, Ceiling Suspension Systems, Lath & Plaster, Gypsum Board, Acoustical Insulation, Acoustical Ceilings, Suspended Metal Ceilings

**Name of Project:** Kaiser Permanente - Sand Canyon Hospital  
**Location:** Irvine, CA  
**Owner:** Kaiser Foundation Hospitals  
**Scope of Work:** Cementitious Fireproofing, Building Insulation, Metal Stud Framing, Gypsum Board Assemblies, Plaster Pre-Molder Gypsum Units, Exterior Sheathing, Lath & Plaster, Joint Sealants

**Name of Project:** Valley Children's Hospital  
**Location:** Madera County, CA  
**Owner:** Valley Children's Hospital  
**Scope of Work:** Cementitious Fireproofing, Metal Stud Framing, Exterior Metal Stud Systems, Sheathing, Exterior Insulation Finish Systems, Gypsum Wallboard, Glass Fiber Reinforced Gypsum Shapes & Treatments, Acoustical Insulation, Sprayed Acoustical Insulation, Composite Fabrications
